Request for Proposal
Lincoln Ave Special Service Area (SSA) #35-2015
2021-2022 Sidewalk Snow Removal

Period of Coverage:

November 1, 2020 – May 1, 2021

Scope of Work:

Sidewalk snow removal on Lincoln Avenue from between Webster and Diversey (2200 – 2800 North), including some adjacent side streets, and the property located at 2218 Geneva Terrace (this building fronts both Lincoln Avenue and Geneva Terrace), wrapping around all corners to the alleys. *See attached map for the service area.* **Snow removal includes at least a 5' path on all sidewalks, complete snow removal from all bus stops, crosswalks, corners, around all fire hydrants, wayfinding signs, and around all parking meter pay boxes.** Sidewalk snow removal must comply with current City of Chicago sidewalk snow removal ordinances. Plowing must take place before 7:00am and 5:00pm during snowfalls. Communication before and after each snow plow deployment and completion along with time service was performed is required. Snow plow team is required to wear SSA-branded vests when performing services.

Bids to Include:

1. Cost of seasonal contract for removal of 55" including de-icing
    a. At 1" tolerance with spreading of non-sodium de-icer per occurrence or as requested
        i. Three additional de-icings included if requested at no extra cost
    b. At 2" tolerance with spreading of non-sodium de-icer per occurrence or as requested
        i. Three additional de-icings included if requested at no extra cost
