Neighborhood Resources

Chicagoland's popular commuter rail network and is a wonderful way to get to Lincoln Park and avoid traffic to and from the suburbs. For complete information on routes and fares, visit metrarail.com.

Bicycling
Chicago continues to build on its commitment to being a bike-friendly city. In Lincoln Park, bike lanes can be found on many of the neighborhood’s most popular thoroughfares and hundreds of bike racks are available where they’re needed most. Chicago’s Lakefront Trail, which runs 18 miles from Edgewater to South Shore, is one of the best ways to see the city, and Lincoln Park is a natural stopping point during the journey. Most CTA buses have racks to transport your bicycle and CTA and Metra trains allow for bikes during non-rush periods.

Bikes are available through Divvy, Chicago’s bike sharing program. 24-hour passes are available for purchase at Divvy stations throughout Chicago. To check out the map of stations and for additional information, visit divvychicago.com.

Ride & Car Sharing
Ride and car sharing continues to grow in popularity in Chicago as people look for ways to cut costs but still enjoy the flexibility of a car. Lyft, Uber and Via provide ride sharing services throughout the neighborhood which can be accessed through their online apps. Zipcar offers residents the option of car-sharing to minimize congestion, pollution and physical vehicles in Chicago. They offer a range of rental packages to meet your needs and car-sharing parking spots can be found in dozens of Lincoln Park lots.

Parking
Residents living in Lincoln Park, or any Chicago neighborhood, are required to renew their city vehicle stickers annually. Individuals moving to Chicago or purchasing a new vehicle are given 30 days following the purchase or move-in date to obtain the necessary sticker without incurring a late fee. Proof of residency is required.

Certain residential streets require specific residential parking permits that limit parking. One-day (24 hour) visitor parking permits are available for residents to provide parking access for friends or relatives. Twenty-four-hour visitor permits can be purchased by residents at their local alderman’s office.

Visit chicityclerk.com for more details on parking permits.

Most commercial streets in Lincoln Park feature pay-and-display parking boxes where you purchase time with quarters and/or credit cards. The maximum allotted time on streets governed by pay-and-display boxes is generally three hours — enough to allow for dinner and a show. Download the Park Chicago app (parkchicago.com) for convenient payment and tracking of your parking.
While Chicago is divided into many neighborhoods, our city is also divided into official political boundaries known as wards. Each of Chicago’s 50 wards is represented in city council by its alderman. The local alderman is a resource for residents and businesses.

WHAT OUR MEMBERS SAY

ADVOCACY
“At Wintrust we are committed to providing our customers with exceptional service and results and I’ve quickly learned that the LPCC is the same way. The LPCC provided the support necessary for our required special use permit ahead of major renovations to our building. They understand the value of businesses and the importance of businesses investing in their facilities and neighborhood.”

Amy Lemar | Wintrust Bank Old Town

COMMUNITY ENGAGEMENT
“The Lincoln Park Chamber of Commerce operates at the intersection of Lincoln Park business, community and culture. LPCC involvement is a MUST for anyone serious about making an impact in these arenas. At the Chicago History Museum, we have benefitted by the many relationships gained through our work with the LPCC.”

LEADERSHIP & GROWTH
“After relocating to Chicago and starting a new job, I was desperate to make connections in Lincoln Park. I began attending LPCC events and my network immediately began to grow. Each time I attended an event I would make a new connection. I have since joined the board and stepped into the role of Chairman. Through my board service, I have gained valuable experience that has given me both the skills and confidence take on a greater leadership role at my organization.”

Rebekah Paine | Victory Gardens Theater

MEANINGFUL CONNECTIONS
“The LPCC has been extremely helpful in not only connecting us to Lincoln Park in a more meaningful way, but it led to funding through one of its members. WHAT IS A SPECIAL SERVICE AREA?

Special Service Areas, or SSAs, provide a funding mechanism to maintain and manage commercial districts – keeping them clean, attractive and competitive. There are over 50 active SSAs in Chicago, which provide services for most major shopping and dining corridors.

In Lincoln Park, there are two SSA districts: Clark Street and Lincoln Avenue. SSA services are only provided to businesses and properties located within the specific boundaries of each district. SSAs provide services that are not provided by the City of Chicago or are in addition to city services. An appointed commission of local business and property owners governs each SSA, and the Chicago Department of Planning and Development oversees the program.

HOW IS THE LPCC INVOLVED?

Each SSA Commission determines the services and budget for the district. The LPCC acts as the service provider for the Clark Street and Lincoln Avenue SSAs, developing programs, coordinating services and managing subcontractors as directed by the SSA Commissions.

- Holiday decor
- Supplementary sidewalk snow removal
